Recall Number: 19-059

DeWALT Recalls Drills Due to Shock Hazard

<https://www.cpsc.gov/Recalls/2019/DeWALT-Recalls-Drills-Due-to-Shock-Hazard>

Recall Summary

Name of Product: DEWALT DWD110 and DWD112 drills

Hazard: The drill's wiring can contact internal moving parts, posing a shock hazard.

Remedy: Repair -- Consumers should immediately stop using the recalled drills and contact DeWALT to schedule a free inspection and repair.

Consumer Contact:

DeWALT toll-free at 855-752-5259 from 8 a.m. to 5 p.m. ET, Monday through Friday, email at recall@sbdinc.com or online at www.dewalt.com and click on Service and Support then Safety Recall Notice for more information.

Units: About 122,000 (in addition, about 8,000 were sold in Canada)

Description:

This recall involves the DEWALT DWD110 and DWD112 3/8-inch variable speed reversing drills. The drills are yellow with black accents and have a power cable connected at one end. Only drills with date codes 2017-37-FY through 2018-22-FY are affected. If the drill is marked with an "X" after the date code it has already been inspected and is not affected. The model number is located on a label on the right side of the drill. The date code is etched into the body of the drill below the label. Consumers whose drill does not have a date code, or who cannot locate the date code should contact the company.

Product Name	UPC
DEWALT DWD110	885911037518
DEWALT DWD112	885911057319
