

IBEW Local 353 Office Information

On the recommendations from Health Canada and the advice of Public Health Ontario, all Local 353 Offices will be closed to members and visitors effective March 23, 2020. Only office staff and business representatives and officers will be permitted inside the building.

All normal operations and services of the local union office will be conducted by fax, phone or email. Dispatch will be conducted by fax, email and through the members portal on the secure side of the website. Members reporting out of work or temporary layoff please call 416-510-3530.

We will continue to reassess this situation daily and will adjust as needed. The health and safety of both members and staff remain our key focus and direction. We thank you for your understanding during this time.

Thank you and please visit <http://www.ibew353.org> for further updates.
