

## **Working at Heights Refresher Expiration Deadlines Extended**

Ontario's Chief Prevention Officer has approved the extension of legally required Working at Heights Refresher training deadlines. Ministry of Labour has granted a one year grace period for those individuals who will be expiring and require refresher training while the COVID-19 crises continues.

This extension will be adjusted based on updates from the Chief Prevention Officer.

IBEW Local 353 Education and Training has suspended refresher training until further notice.
