AT WORK**

April 7, 2025

To ALL members currently working in the High-Rise Residential Sector:

As many of you are aware there has been a six-year long dispute over whether the high-rise residential contractors were entitled to negotiating a stand-alone high-rise agreement with IBEW Local 353.

In November of 2024 that question was resolved by what is now known as the "Nyman decision".

Negotiations with the Greater Toronto Electrical Contractors Association have been ongoing and will continue, hopefully, during the month of April.

High Rise Members Meeting date and time:

**April 22, 2025
6pm sign in / 7 pm start**

**Universal Event Space
6250 Highway 7
Vaughan, Ontario.**

We have filed for conciliation, and we expect a no board to follow.

The members in the high-rise sector will be in a legal position to go on strike as of midnight May 1, 2025.

Please ensure that you make the time to attend this very important meeting.

In Solidarity,

Lee Caprio
Business Manager/Financial Secretary
