30 To visit the IBEW website, click "Visit IBEW".

The screenshot shows the IBEW Local 353 website. The top navigation bar is red with a white phone icon and the number (416) 510-3530 on the left. On the right, there are links: VISIT IBEW (highlighted with an orange circle), VISIT TEIBAS, HOME, JOB LIST, a bell icon, and JST USER with a dropdown arrow. Below the navigation bar is a dark blue header with the text "IBEW LOCAL 353" and "EXCELLENCE AT WORK" in white. Underneath this is a yellow banner with the text "QA SERVER — VERSION 0.5.4-BUILD.2". The main content area has a white background. It starts with the heading "IBEW353 Job Selection Website". Below this is a paragraph: "Working at Heights certification is now required prior to being eligible for Dispatch. Please call Raquel at (416) 510-5009 to book a seat in the next available daytime class. This training is **NOT** available to Electrical Training Alliance Apprentices or members who are currently working." This is followed by a red triangle icon and the word "Attention" in bold. Another paragraph follows: "In the event the online jobs list does not update, members interested in being dispatched, are encouraged to listen to the information line (416) 510-3532, updated nightly at 5:00 PM, or visit a dispatch office and sign the daybook in person before 7:30 AM." At the bottom, there are two columns. The left column is titled "Job List" with a hamburger menu icon. It contains the text: "See what Jobs are available to bid on today, bidding opens at 5:00pm each working day." and a link "View the Job List →". The right column is titled "Report out of Work" with a right-pointing arrow icon. It contains the text: "If you are currently out of work, it is important that you report this as soon as possible, use the link below to report that you are out of work." and a link "Send in out of work report →".

31 To visit the Teibas website, click "Visit Teibas".

This screenshot is identical to the one above, showing the IBEW Local 353 website. The only difference is that the "VISIT TEIBAS" link in the top navigation bar is now highlighted with an orange circle, while "VISIT IBEW" is no longer highlighted.

32 Another way to access the 'Job List' page is by click "Job List" at the top.
